PRESS RELEASE

FOR IMMEDIATE RELEASE

Sacramento, July 13th, 2016. MDstaffers, the nations' premier physician and healthcare staffing and recruiting agency, has acquired LAM and Associates, a Hawaii-based physician staffing company specializing in permanent and direct hire placements.

"We're happy to expand our services to Hawaii and beyond," said Paul Robles Vice President of Client Services. "This acquisition will allow us to leverage our responsive and ever-expanding platform to serve thousands of new clients and healthcare professionals."

Pat Lambrect, the founder and former CEO of LAM and Associates said "As I move into semi-retirement, it made sense to turn my clients and staff over to one of the truly vanguard staffing companies in the nation. The MDstaffers team will add several new channels of marketing and delivery, and I am confident that they will be able to continue provide exceptional services and support to my clients and candidates."

MDstaffers specializes in the permanent and temporary placement of physicians and allied health specialists in hospitals and clinics nationally. The organization has offices and staff in Berkeley, Sacramento, and San Diego, California; Fort Worth, Texas; and now Hawaii. Short-term plans for expansion include additional offices in Southern California, Washington, and Florida.
